A director's personal liability to this corporation or members for monetary damages shall be eliminated to the full extent permitted by law, provided, however, the liability of a director shall not be limited or eliminated:

- (1) for any breach of the director's duty of loyalty to the society or its members;
- (2) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of the law; or
- (3) for any transaction from which the director derived an improper personal benefit.

III.23 Surety Bonds

The Board of Directors shall require the Chief Executive Officer (CEO), the Chief Financial Officer (CFO) and any other officers or employees of the Association as deemed appropriate that may be authorized to receive, disburse, invest or otherwise handle monies belonging to, or in the possession of, the Association to furnish bond of appropriate form and amount, the premium for which shall be paid by the Association.

III.24 Rules and Regulations of the Board

The Board may adopt such rules and regulations for the conduct of its meetings and for the management of its affairs as it may deem proper, not inconsistent with the applicable law or with these bylaws.

III.25 Conflicts of Interest

It is the policy of the Association to identify and manage conflicts of interest on the part of its directors, officers, employees, agents and consultants which might impair their independence of judgment or influence their decisions or actions with respect to the Association's business. The Board of Directors shall adopt rules and procedures for the required disclosure and evaluation of conflicts of interest by directors, officers and other such persons as the board may determine.

CHAPTER IV. CHIEF EXECUTIVE OFFICER

CHAPTER V. LODGES/SERVICE CLUBS

V.1 Charter

Five (5) or more members of the Association who reside in any area may, under the supervision of the Chief Executive Officer or other authorized officer of the Association, organize and institute a lodge/service club. When the institution has been completed, the Chief Executive Officer shall issue a charter designating the lodge/service club by name and number. The existence of the lodge/service club shall continue until its charter is surrendered or revoked.

V.2 Membership

The membership of a lodge/service club shall consist of Insured and Social members.

V.3 Powers

Any lodge/service club shall have those powers as authorized by the Lodge/Service Club Bylaws. The affairs of a lodge/service club shall at all times be subject to the direction and control of the Chief Executive Officer in consultation with the subordinate group representatives. No Insured Member or Social Member shall have or acquire any individual right or interest in any lodge/service club funds or other personal property.

V.4 Lodge/Service Club Bylaws

The Board of Directors shall establish uniform lodge/service club bylaws.

V.5 Incorporation Prohibited

Lodge/service club incorporation is prohibited.

V.6 No Real Property

CHAPTER VI. INSURANCE

VI.1 Benefit Contract

The term "benefit contract" shall be synonymous with the term "certificate" or "policy."

VI.2 Benefit Contracts Authorized

The Association is authorized to issue such benefit contracts under the statutes of the state of Minnesota as may be lawful for a fraternal benefit society and under the statutes of the states in which it may be authorized to transact business.

VI.3 Benefit Contract

The Association shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided thereby. The certificate, together with any riders or endorsements attached to it, the laws of the Association, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant, and all amendments to each

thereof, shall constitute the benefit contract, as of the date of issuance, between the Association and the owner, and the certificate shall so state. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of this provision shall be void. Any changes, additions, or amendments to the laws of the Association, duly made or enacted subsequent to the issuance of the certificate, shall bind the owners and the beneficiaries, and shall govern and control the benefit contract in all respects the same as though the changes, additions, or amendments had been made prior to and were in force at the time of the application for insurance except that no change, addition, or amendment shall destroy or diminish benefits that the Association contracted to give the owner as of the date of issuance.

VI.4 Rules and Laws

The Board of Directors shall have the power to adopt such rules and laws as it deems necessary or desirable concerning the insurance affairs of the Association. Any such rule or law may be enacted, modified or eliminated at any time. The Board of Directors shall be the final authority for any interpretation and application of such rules and laws.

VI.5 Non-Contractual Benefits

The Board of Directors may provide non-contractual benefits to members of the Association, their beneficiaries or families in such form as deemed necessary or desirable, provided the Board shall have the right to enact, modify or eliminate any such non-contractual benefits at any time and no person shall have a vested right to any such non-contractual benefits.

VI.6 Limitation on Rights of Beneficiary

No beneficiary shall have or obtain any vested interest in the proceeds in any benefit contract issued by the Association until such benefit becomes due and payable.

VI.7 Policy Liens

No lien or encumbrance on any benefits under a benefit contract shall be allowed by reason of payment of premium, cancellation of or security for a debt or otherwise, except by designation of beneficiary or assignment as permitted by the bylaws or rules and laws adopted by the Board of Directors.

VI.8 Maintenance of Legal Reserves

Assets having a value at least equal to the required legal reserves on the respective bases applicable to benefit contracts issued by the Association shall at all times be held for the fulfillment of promises made therein. If for any reason an impairment should occur in the legal reserves, the Board of Directors shall equitably apportion the amount of such impairment to the outstanding benefit contracts. If the applicable benefit contract does not contain a provision for such apportionment, the amount thus apportioned shall either be paid to the Association in cash by the respective insureds or owners thereof or, upon failure to so pay, said amount thus apportioned shall be deemed to have been loaned to the insured or owner upon the sole security, and not to exceed the extent of the reserve of such benefit contract. Said loan shall be a lien thereon, bearing interest as determined by the Board of Directors after consultation with the Association's actuary and shall be deducted in any settlement of such benefit contract by setoff. No insured or owner shall be personally liable for the payment of any lien thus established.

VI.9 Ownership of Benefit Contracts for Young Members

Ownership rights shall be exercised by the owner designated in the Young Member's benefit contract both before and after the insured attains age eighteen (18). If the owner dies prior to the insured attaining age eighteen (18), unless a successor to the original owner has been designated, ownership shall automatically pass to a parent or legal guardian of the insured, as may be determined by the Association at its sole discretion, until the insured attains age eighteen (18), at which time the insured shall become the owner.

VI.10 State Laws

The Association shall have and exercise all the powers afforded by law to a fraternal benefit society of its type and character relating to insurance, whether or not such powers are specifically stated in its benefit contracts or the Bylaws.

CHAPTER VII. FINANCIAL MATTERS

VII.1 Funds

All monies, investments and properties of the Association of whatsoever nature (excluding any funds of lodges/service clubs or other subordinate bodies of the Association) shall be accounted for in the General Fund.

VII.2 The General Fund

VII.2.1 The General Fund shall consist of all monies, investments and properties belonging to the Association, and this Fund shall be credited with all income of the Association of whatsoever nature.

VII.2.2 The General Fund shall pay all benefits and expenses incurred, including those properly payable for Fraternal Services.

VII.2.3 No member, beneficiary or owner of any policy, nor any other person or organization shall have any vested or contractual right whatever in such Fund, except as may be provided by the Bylaws, or by the terms of benefit contracts issued by the Association or the Board of Directors.

VII.2.4 The Board of Directors may distribute as a dividend to any class of members an equitable portion of the surplus of the Association determined in such manner as prescribed by the Board.

VII.3 Fraternal Services

Fraternal Services may be provided for benevolent, charitable, fraternal, educational and other such purposes in aid of members, their beneficiaries, families and others as provided by law. No one shall ever have or acquire any vested or contractual rights to such services.

VII.4 The funds of the Association, in whatever form, shall be invested in such authorized investments as authorized by law and as recommended by the Investment Committee and approved by the Board of Directors.

CHAPTER VIII. MISCELLANEOUS

VIII.1 Indemnification. The corporation shall indemnify its members, directors, officers, employees, board sub-committee members and agents to the full extent permitted by applicable law.

VIII.2 Resolution of Disputes

(a) Purpose. The purpose of this section is to prescribe the sole means to present and resolve grievances, complaints or disputes brought by members, certificate owners or beneficiaries, against the Association or its directors, officers, agents and employees. Procedures set forth in this section are meant to provide prompt, fair and efficient opportunities for

dispute resolution, consistent with the fraternal nature of the Association, without the delay and expenses of formal legal proceedings.

(b) Scope. This section applies to past, current, and future benefit certificates, members, insureds, certificate owners and beneficiaries. It applies to all claims, actions, disputes and grievances of any kind or nature whatsoever. It includes, but is not limited to, claims based on breach of contract, as well as claims based on fraud, misrepresentation, violation of statute, discrimination, denial of civil rights, conspiracy, defamation, and infliction of distress, against the Association or its employees, officers, directors or agents. This section does not apply to claims or disputes made after the applicable statute of limitations has expired. This section does not apply to actions brought by the Association including but not limited to, actions for: declaratory judgment, determining proper payees, recovery of amounts due, and contesting insurance coverage or membership eligibility.

(c) Procedures. No lawsuits or any other actions may be brought for any claims or disputes covered by this section. The following are the steps and procedures for presenting and resolving disputes:

STEP1. APPEAL. Appeal of the dispute to a designated reviewer within the Association as appropriate to the dispute.

STEP2. MEDIATION. If step 1 does not result in a mutually satisfactory resolution, either party has the right to have the matter mediated in accord with the applicable mediation rules of the American Arbitration Association (or other neutral organization as agreed by both parties).

STEP3. ARBITRATION. If there is still no mutually satisfactory resolution the matter will be resolved by binding arbitration in accordance with the rules of the American Arbitration Association. The arbitrator(s) may award any actual damages incurred for which there is liability, but may not award attorneys' fees, or compensatory, exemplary, extra-contractual or punitive damages. The decision of the arbitrator(s) is binding and final. Additional procedural rules may be defined in policies established by the Association and made available upon request. If a claim or dispute is subject to law that prohibits parties from agreeing to submit future disputes to binding arbitration, arbitration results shall be non-binding, unless both parties voluntarily agree to binding arbitration after the claim or dispute has arisen.

(d) Costs. Fees and expenses of the mediator and/or arbitrator shall be paid out of a dispute resolution fund established by the Association. This does

not include attorneys' fees, experts' fees or discovery costs, which each party shall bear as its own responsibility.

- (e) Joinder of Disputes. No claim or dispute may be brought against the Association, or its directors, officers, agents or employees in a representative capacity, or on behalf of any "class" of persons or members. Claims of multiple persons may be jointed and presented under this section provided all affected members, certificate owners and beneficiaries consent in writing, or if the Association determines that joinder is appropriate.

VIII.3 Choice of Law

Any dispute arising from the application or interpretation of the Bylaws, or the terms and conditions of insurance, or the provisions of any benefit contract, including the making of such contract, or in any way pertaining to either, directly or indirectly, shall be interpreted under the laws of Minnesota.

VIII.4 Venue

Any dispute arising from the application or interpretation of the Bylaws, or the terms and conditions of insurance, or the provisions of any benefit contract, including the making of such contract, or in any way pertaining to either, directly or indirectly, shall be venued in the State of Minnesota.

VIII.5 Waiver of Provisions

No state meeting, lodge/service club, Director, officer, employee or any agent shall have the power to waive any provision of the Bylaws.

CHAPTER IX. AMENDMENT OF BYLAWS

These bylaws may be repealed or amended in whole or in part at any regular meeting of the board of directors for that purpose. The Board of Directors may, by the affirmative vote of two-thirds (2/3) of the Directors, amend or restate these bylaws. Notice of the proposed change shall be mailed or otherwise delivered to directors at least 30 calendar days before the date of the meeting. Any changes to these Bylaws shall be effective from the date of passage or at such other date as stipulated by the Board and shall be filed promptly for approval the Commissioner of Insurance of the state of Minnesota. After filing and approval, the changes shall be published in the official publication as prescribed in these bylaws.
